Wow !!!
I should invest
in this
innovation

Success Stories

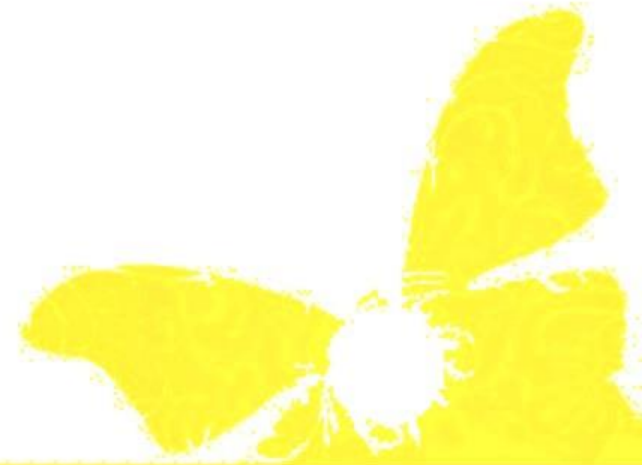

Provided strategy & road map for a niche manufacturing company based in Pune, India for USA market entry

Helped a large Indian public listed company with global operations get accreditation from Govt. of India for their R&D set up after rejection of their application the first time

Worked with a small manufacturing company to identify their R&D activities from regular manufacturing processes, get credited by GoI for their R&D and avail tax benefits

Assisted a large India public listed company go through the process of renewal of their accreditation for R&D at multiple locations and make a fresh application for a new set up
