SCPL service offerings

SCPL Protect

We protect your brand, technology and design in India, USA and globally

Cost range: Rs.18,000 to Rs.5,75,000

(depending on the type and geography of protection sought)

SCPL Go to Market

Identifying whether your technology is patentable to providing advice on whether you are infringing on someone else's Intellectual Property so that you can launch your product overseas without the risk of running into expensive litigations

Cost range: Rs.50,000 to Rs.2,50,000 (depending on nature of due diligence and geographies covered)

SCPL Launcher

Your want to set up a R&D lab and make it compliant with Govt. norms (Dept. of Scientific & Industrial Research (DSIR) in India is the nodal agency) so that you can get it accredited and avail tax, funding and other strategic benefits

Cost: Rs.5,00,000

SCPL Foundation

Your R&D set up is not structured and organised and need expert advice on finalising layout, how to identify expenses and ensure 100% chance of getting accredited by DSIR so that you don't have to worry about custom clearance, get tax benefits and access to Govt funding

Cost range: Rs.8,00,000 to Rs.16,00,000

(depending on size & complexity of project)

SCPL Milestone

You need further accreditation from DSIR for availing direct income tax benefits, identify and report eligible R&D expenses, need help with finalising R&D balance sheet and make annual filing to DSIR to be compliant and address queries raised by your auditor

Cost: Rs.5 lac one time for approval

Performance based: 2% to 5% of your R&D expenses based on your spend

SCPL Dividend

You already avail tax benefits but unsure whether you are missing out on additional opportunities to save tax as also plan your R&D spend

Cost range: Performance based ranging from 10% to 20% of additional R&D spend in your books of account

SCPL Bank

You want to expand your R&D set up and need grants or soft loans or identify technology partners overseas for collaboration for technology transfer or product validation through our Spanish partner, Zabala Consulting

Cost range: Rs.50,000 for proposal writing after evaluation of fit with funding program

Performance based: 10% of grant amount or 5% of loan amount on approval from grant agency

Notes

1. We will first evaluate your facility and only then provide a proposal
2. We invest our time and you need to invest in air travel, stay (if required), local conveyance and hospitality for visit by our Lead Consultant to your facility
3. Client referrals will be provided in confidence after your evaluate our proposal
4. The cost quoted above excludes applicable Service Tax and Government fees applicable in case of SCPL Protect at this point of time
5. We know our prices look high but we take complete ownership of a project and don't give you unexpected surprises or charge out of pocket expenses

Headquartered in South Mumbai (Bombay) with full fledged offices in Noida (NCR region) and Chennai & a Spanish partner, Zabala Consulting which provides us with reach across Europe
