We evaluate you before we take up the assignment

Before we take up any assignment, a SCPL Lead Consultant would evaluate your Product / Process development activities.

The purpose of the visit is to evaluate eligibility of the facility and identify the right service offerings. On the basis of this evaluation, we will provide you with our evaluation report of the gaps and suggest the right service offering for you and also gaps which we have identified in the facility.

We invest our time and you invest in your travel & local hospitality; our Lead Consultant will fly in from either Delhi or Mumbai.

Further, following persons need to be present during the visit:

- 1) MD or CEO or a Director
- 2) CFO or Finance Head
- 3) Plant Head or R&D Head

Proposed agenda for SCPL Due Diligence

- 1) Introduction of the company
- 2) Introduction of SCPL
- 3) Overview of DSIR recognition program
- 4) Overview of R&D process
- 5) Evaluation visit and analysis of R&D facility
- 6) Document analysis of the company
- 7) Q&A session for clarification of doubts.
- 8) Discussion on proposal based on the findings of evaluation visit.

Documents needed:

- 1) Audited Annual Report of last financial year
- 2) Memorandum of Associations
- 3) Corporate Presentation of the company
