

**Scinnovation Consultants Pvt. Ltd.** <sup>®</sup>  
*Scaling Innovation*  
Innovation, Intellectual Property and R&D solution providers  
(IP, R&D incentives and SCRND)

**IDEA Template (Final Patent Filing)**

Full Name & Postal Address of the Inventor/s  (To be mentioned in the application)	
Full Name & Postal Address of the Applicant/s (Owners of the patent/Highlight the one below) <ul style="list-style-type: none"><li>• Individual/ Start-up (provide certificate)<ul style="list-style-type: none"><li>• Company</li></ul></li><li>• SME (provide certificate)</li></ul>	
Nationality (change only if non Indian)	INDIAN
Describe problem being addressed	
Describe solution to the problem provided by the invention	
Are there any other special aspects of discovery.	
Has the practical utility research result been demonstrated.	
USP / Value Proposition of the invention	
Mention existing products / technologies available in India or outside India (if known)	

Solution applicable to following Industries (For example, Power Production)	
Any reference sources (Patent, Website, Article): mention patent nos. & website address	
Attachments (Drawing, Project Report, Prior Art Search etc.)	
Nature of patent application to be filed (Provisional/Complete/PCT-International)	
Point of Novelty according to the inventors seeks protection.	
Date of any prior publication of the invention done by the applicant or any of the inventors (Published/ Presented/ Discussed)	
Countries interested for future filing.	
Inventive Elements according to you needs to be protected.	
Use or application of the invention	
Application or mechanism of each inventive element	
Working of the invention in detail	
Any specific date on which the application needs to be filed	

**Note:**

In case of complete specification: The patent office allows patent application with 30 pages of specification (including form 2, drawings and specification) and 10 claims at the prescribed fees; above 30 pages/10 claims additional fee is payable for each page/claim.

The title of Invention should not be more than 15 words.

The abstract may not be more than 150 words.
